Sunrise Circle members are the energy behind everything we do, and their dedicated support—like the rising sun—fuels our growth so we can help our children blossom.

The Sunrise Circle is the annual leadership giving society for Mary Cariola. Comprised of loyal

donors who make a three-year gift commitment of at least \$1,000 per year, it represents **the foundation of our annual giving program** and is critical to our

ability to plan for and support programming and operations at our schools and residences.

As a member of the Sunrise Circle, your unrestricted gift commitment has a direct impact on the individuals and families that we serve, oftentimes helping them reach milestones that were not thought possible.
